Consider some of the many ways in which your investment can be used in

Proclaiming the Gospel with Evidence

YOUR financial commitment helps to accomplish the following:

- \$120** (\$10 a month) **equips a pastor** with information and materials for teaching and preaching, for building up local disciples. Typically a pastor's ministry will regularly influence at least *100 people*.
- \$240** (\$20 a month) **trains and equips a leader to be a teacher** of the Gospel with Evidence, who in turn trains others, conducts outreach events, and builds up local churches. A potential impact of a *thousand lives in a year*.
- \$600** (\$50 a month) maintains the *FaithSearch Web sites*, which serve more than *300,000 pages of ministry information* per year, and last year generated over *\$18,000 in ministry revenue* through donations and sales.
- \$720** (\$60 a month) pays for the cost of **translating *Surprised by Faith* and study materials**, enabling people to hear, read and study the Gospel with Evidence in their own language (Chinese, French, Thai, Gujarat, etc.) The potential *audience is in the millions* for each language.
- \$960** (\$80 a month) pays for a *FaithSearch Discovery outreach event* in the USA, to which Christians can bring friends, such as on university campuses and in community-wide events. On average *200 lives will be influenced* per event. (About 250 events per year.)
- \$1,800** (\$150 a month) covers the cost of printing **2,000 copies of *Surprised by Faith***, often in a language or country with very limited Christian resources. Each book will be read by at least five people, *touching 10,000 lives!*
- \$5,000** supports a *FaithSearch evangelist* for one month (salary, benefits, expenses, resources, etc.) enabling him to multiply himself by teaching and training others to teach the Gospel with Evidence in his assigned region. In a year each evangelist *trains about 300 leaders* in his region to teach *FaithSearch* Discovery, and directly proclaims the Gospel with Evidence to *thousands*.
- \$15,000** (\$1,250 a month) introduces *FaithSearch* International to a **new country** (travel, training, materials, local expenses, etc.) exposing a *new audience of millions* to the Gospel with Evidence, and introducing the opportunity for a sustainable ministry of multiplication.
