

## More than 69,000 people have responded to the evidence!

Dear Friend of *FaithSearch*,

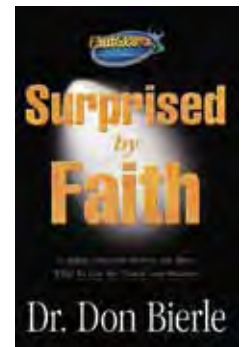

It has been thirty-one years since the beginning of what is now *FaithSearch* International. Since then, more than 69,000 people have made faith commitments to follow Jesus Christ. We have also trained and equipped about 9,000 *FaithSearch* Discovery teachers in the U.S. and in fourteen other countries to proclaim this same Gospel with Evidence.

Today, I need your help to continue the journey. *FaithSearch* is vitally important because there are more people than ever who are looking for evidence of a personal and knowable God. Each year *FaithSearch* conducts over 300 events with about 25,000 in attendance in the U.S. and abroad.

You can, through *FaithSearch*, to be a part of making a difference in the lives of people who are looking for meaning in their life—as is evident from these recent testimonies:

- **A junior high student wrote**, “This makes me want to witness and tell everyone ... I heard your [*FaithSearch*] Discovery at age nine and got your book *Surprised by Faith* right after. I read that book a week after and I wanted to be a missionary.” —H.H. (Spring Grove, MN)
- “This has been life changing for me. It answered so many of my questions. I always thought of the Bible as a book of stories. It's REAL! I am sending my mom, dad, brother and sister the next time Don is at [our church]. I am so excited! Thank you, Lord, for this study!” —A.J. (Eden Prairie, MN)
- “Thank you, thank you, thank you. Your message has given me many of the answers my ‘sceptic-nontrusting’ mind has had over my years trying to allow myself to believe 100%. I want to know more....” —J.F. (Alexandria, MN)
- “One of the most CLEAR and WELL-COMPOSED presentations I’ve heard and seen on Christianity. In the faith-building journey of all of us, this knowledge is critical!” —V.P. (Minneapolis, MN)

The opportunities to reach out with the message of the Gospel with evidence are vast. Invitations are coming in every day in the U.S., Russia, Peru and India. *FaithSearch* is also waiting to translate *Surprised by Faith* into several additional languages. God is moving in the hearts of people. ***The only obstacle stopping us from moving ahead is adequate funding.***

This is where you come into the picture. I need two action steps from you. First, I need you to pray for the ministry; and second, I need you to give today. When you pray, pray for the hearts and minds of our event attendees—that they would be receptive to the light of the biblical message, so the darkness of unbelief will not prevail. **When you give, please give with a generous spirit. Your gift today will help make our future Gospel presentations possible.**

The Bible tells us in Exodus 17:8-16 that Moses needed his aids, Aaron and Hur, to stand beside him and hold up his arms. When Moses' arms became too tired to hold in the air, his aides came to his side to stand with him and hold them in the air so the battle continued to favor the Israelites. I am asking you to do the same. I need you to stand by my side during these critical times. You play a crucial role, just as Moses' aides did. Without them the battle would have been lost. **Thank you for being willing to stand with us in presenting the Gospel with evidence.**

This past month I spoke to over 280 people at a prayer breakfast in South Dakota. The organizer of the event said there was a tremendous response of faith commitments and reaffirmations to follow Christ. After the event a pastor came up to me to see if I could come to his church. He admitted that he had come to the event with a "bad attitude," thinking he would not learn a thing from it. He said, "I was wrong. I learned a lot from your presentation that I didn't know." As he walked away, he turned and said, "By the way, I recommitted my life to Christ this morning!"

Below are some other comments from recent events:

- "Today I am reaffirming my faith in Jesus as Savior and Lord of my life." –MB (Verndale, MN)
- "It has lessened my doubts and increased my faith. Very interesting and touching/inspiring. Thanks so much!" –CH (Minnetonka, MN)
- "Such practical and usable information to relate to others and use as a basis for discussions." –NC (Verndale, MN)
- "I reaffirmed my faith in Jesus today. I better understand God's creation and that all we see exists because of Him. I've learned about facts that I have never heard of before ... Thank you so much for the work you are doing! God Bless!" –KH (Wadena, MN)

Your gifts and prayers make it possible for **FaithSearch** to experience life-changing results like this in each of our Gospel with evidence presentations.
